## Neutrik Stageboxes with multicable and connectors

Each stagebox model can be fitted with multicable and connectors or multiconnector. Unlike other suppliers the stageboxes are not fitted with standard length cable, but can be made fully according to your specification. The Neutrik stageboxes are extremely price competitive. There are three types, each available in three configurations.

### TYPE A

NSB1A with 8 XLR in/4 XLR out  
NSB2A with 20 XLR in/4 XLR out  
NSB3A with 32 XLR in/4 XLR out

### TYPE B

NSB1B with 8 XLR in  
NSB2B with 12 XLR in/4 XLR out  
NSB3B with 20 XLR in/4 XLR out

### TYPE C

NSB1C with 8 XLR in  
NSB2C with 12 XLR in/4 XLR out  
NSB3C with 20 XLR in/4 XLR out
